KEEPING BOATING SAFE ON SEBAGO LAKE

ENJOY SAFE ACCESS TO BOATING AND FRESH AIR

Working together will help keep everyone safe.

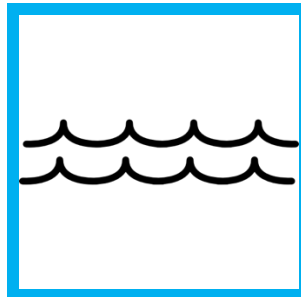

It is essential that we all work together in order to keep boating and marina services accessible, operational, and safe. Following suggestions that improve safety with concerns of COVID-19 and physical distancing (social distancing) are very important during these times.

Thank you for assisting us in order to sustain a safe boating community and aid in preventing the spread of COVID-19. Procedures for boat rentals, mooring customers and the fuel dock have been put in place to protect you and our crew. Please refer to CDC guidelines for more information. And don't hesitate to call us at 207-787-3908 with any questions or for additional information. Thank you for your cooperation.

Remember being on the lake in a boat from Long Beach Marina in the fresh air and sunlight with the ones closest to you is safe and stress relieving!
